

Learn how to communicate
in Japanese
so you can live in Japan!

いろどり

IRODORI

生活の 日本語

Japanese for Life in Japan

www.iodori.jpf.go.jp

- ✓ Irodori allows you to learn practical Japanese through a variety of situations and topics closely related to daily life in Japan.
- ✓ Irodori gives you a clear picture of what you will be able to do, with learning objectives given as Can-dos.
- ✓ Irodori is made up of three books: "Starter" corresponding to the JF Standard for Japanese-Language Education A1 level, "Elementary 1" and "Elementary 2" corresponding to its A2 level.
- ✓ Irodori's materials and audio files are all available online and can be downloaded freely.
- ✓ Irodori is useful for preparing for the Japan Foundation Test for Basic Japanese (JFT-Basic).
- ✓ Irodori aims for mutual understanding between people through communication and an understanding of culture.
